Below, Dr. Meryl Nass, MD, AHRP member of the Board of Directors, connects the dots of the worst betrayal of trust by highest level public health officials – all of who are medical doctors. What's more, premiere medical journal editors were accomplices in corrupting the science by publishing fraudulent reports and propaganda aimed at denigrating ...

The Significance of the Nuremberg Code

The universal right of Informed Consent to medical interventions has been recognized in US law since at least 1914. That year, the New York Court of Appeals established the right to informed consent to medical intervention in a case involving non-consensual surgery. *Schloendorff v. Society of New York Hospital* 105 N.E. 92, 93 N.Y. (1914)...
